Section Detail

SECTION DETAIL Infinity Classic panels are constructed using heavy duty commercial grade extruded aluminum stiles and rails. Framing members are mechanically fastened at joints creating an exceptionally high strength door frame. All doors are customizable with 66 panel and window combinations and include clear annealed glass.

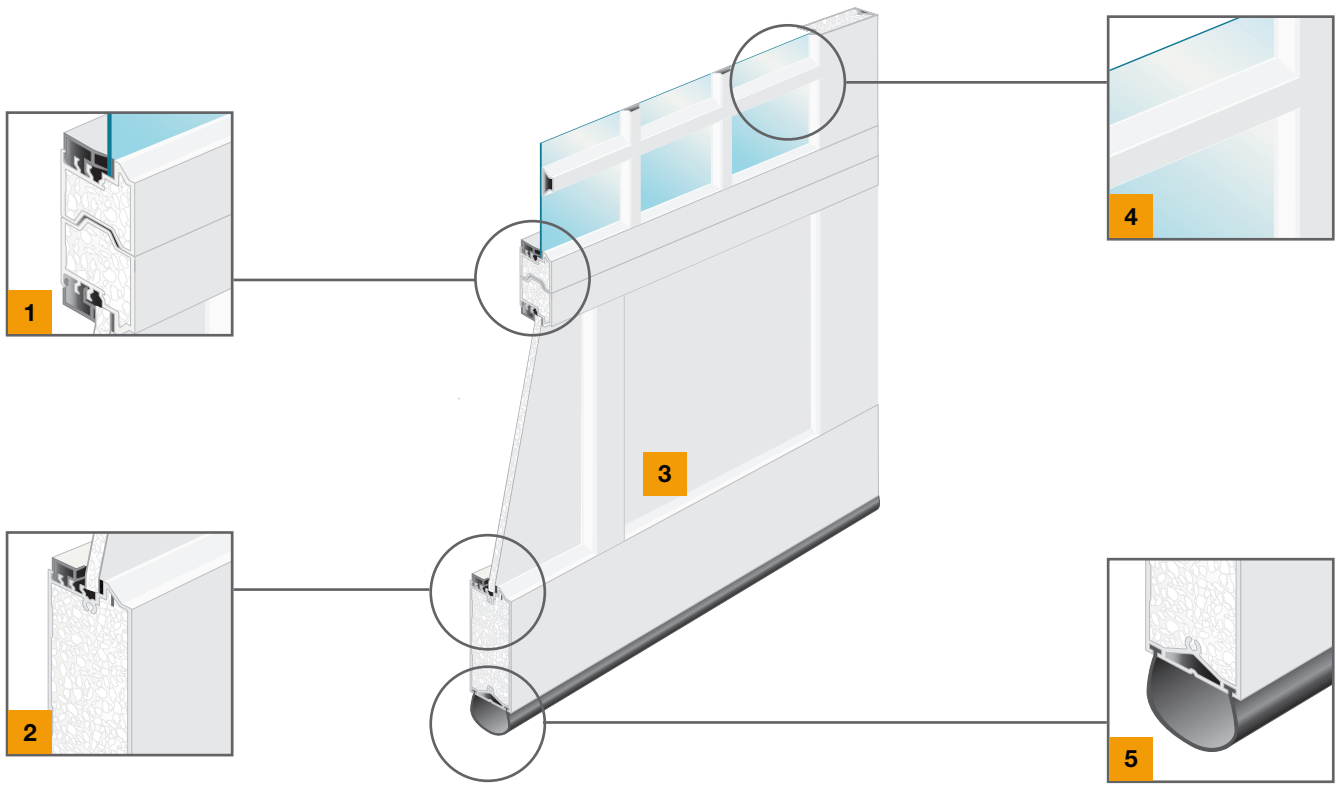
Panel Features

The Industry Leader in Innovative Door Elegance, Durability, and Efficiency



Tongue & Groove Section Joints 1

Precisely designed thermally broken section joints reduce air infiltration and create weather tight seal.

Standard Insulation 2

Framing members and aluminum panels have a polystyrene core insulation for thermal and acoustic advantages.

Aluminum Construction 3

Commercial grade extruded aluminum frame and design overlays are mechanically fastened at joints.

Glazing Options 4

1/8” clear tempered glass is standard and 1/2” insulated glass is optional with various glass pane design options. 1/4” white laminated glass is also an option.

Bottom Weather Seal 5

Keeps out wind, rain, debris and other elements for added energy savings.

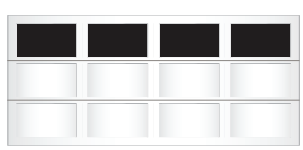
Basic Designs

Hörmann Infinity Classic Doors are available in one inch increments up to 20 ft. wide and 16 ft. high with a maximum door size of 320 sq. ft. For the most authentic replication of the original carriage house style, door heights up to 8 ft. are 3 sections. 32” is the maximum section height. Optional custom arches can be made to perfectly match your door opening or other custom header designs.

2-Panel
Up to 10’0” Wide

3-Panel
10’1” to 13’0” Wide



4-Panel
13’1” to 20’0” Wide

Single Car
15’0” Radius

Double Car / 15’0” Radius
2-Arches (Standard)

Double Car / 58’0” Radius
1-Arch (Optional)

Custom Designs

Our aluminum Infinity Classic garage doors can be created with your home or structure's architecture in mind. Custom designs can be created, including custom section heights and windows in both the intermediate and top sections.

The door at right has 4 sections. Each section was made a different height to achieve the desired proportions. The two upper sections contain customized 8-lite windows with the top window section having a custom arch. The lower sections contain v-groove panels. This116C custom door has a Walnut wood grain powder coat process finish.

Scaled dimensioned drawings are available upon request for all custom and standard Infinity Classic designs.
