Luma Classic 7400

Panel Features

The Best in Affordable Full View Options

Tongue & Groove Section Joints **1**

Precisely designed section joints with compressible gasket reduce air infiltration and create weather tight seal.

Glass Options **3**

Clear Tempered (Standard), Satin Etch Glass, White Laminate or Black Laminate glass options offer an exceptional look.

Anodized Aluminum Frame **2**

Frame members are mechanically fastened at joints creating an exceptionally high strength door frame.

Bottom Weather Seal **4**

Keeps out wind, rain, debris and other elements for added energy savings.

NOTE:

To maximize affordability in this value line of full view Aluminum product, factory-specified sizing options are limited to most common combinations. Please consult your Hörmann representative to explore available options.
