Section Detail

SECTION DETAIL Clima Tech panels are produced in a woodgrain texture with the exception of our microgroove panels, which are stucco. All doors are customizable with 26 window designs and include clear insulated tempered glass for enhanced insulation, strength and safety. (Uninsulated glass available)

Panel Features

The Industry Leader in Innovative Door Safety, Insulation, and Strength

Precise Thermal Break **1**

Increased thermal efficiency is achieved by our conduction-resistant thermal break.

Insulated Tongue & Groove **3**

Our joints are sealed with insulating foam and joint tape to reduce air flow heat loss.

Proprietary Safety Brackets **5**

Our reinforced safety bottom brackets and red safety screws create a double layer of built-in safety for the user.

Reinforced Mounting Steel **2**

Triple-reinforced steel fold extends across the entire section for robust hardware mounting. An internal steel layer creates additional stability.

Proprietary Urethane Blend **4**

Perfected over generations, our precisely engineered polyurethane outperforms its competitors in strength, energy efficiency, and density every time.

Steel Construction **6**

Our top-of-the-line galvanized steel is treated with 4 layers of strength and weather resistance.

Panel Design Options

CHOOSE YOUR PANEL DESIGN

Panels come in six different styles allowing you to choose the perfect match for the design of your home.

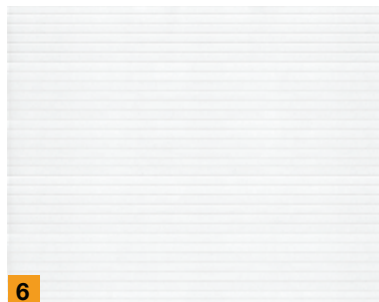

1 Short Raised (Traditional)

2 Long Raised (Ranch)

3 Country

4 Cottage

5 Flush
