SAFETY, CONVENIENCE, QUALITY

The Hörmann Clima Tech 4400 stands out from the rest, with premium quality craftsmanship and highly effective insulation. The virtually no-maintenance Clima Tech 4400 comes with superior polyurethane insulation that gives your door a 15.7 R-Value. Choose from a range of options to complement the beauty and value of your home.

Precisely Designed Tongue & Groove

1

Thermally broken section joints reduce air infiltration and create weather tight seal.

Injected Polyurethane Foam Core

2

Enclosed by galvanized steel on the inside and outside provides maximum insulation for substantial energy savings and ultimate panel stability for exceptionally quiet door operation.

Well-defined Panel Embossments

3

Easy to clean woodgrain texture, galvanized and finish painted steel provide years of trouble-free performance and beauty.

Hörmann Innovations

Safety Bottom Fixture

Hörmann garage doors utilize safety fixtures on their bottom sections for added safety for your peace of mind.

Superior and Safe Windows

Hörmann window insert frames are recessed to the panel surface to give your door a cleaner look. Tempered safety glass panes offer extra layer of safety in case of breakage.

Aluminum Bottom Seal Retainer

Hörmann minimizes floor corrosion by utilizing an aluminum bottom seal retainer that never rusts and is more durable than brittle plastic retainers.
